

# DIESEL ADDITIVES

For dealer locations please call 1-800-521-4784.

## Additive Plus

Stock No.	Volume per package	Treats gallons/ Liters	Shipping Unit
HAD500	8 oz (236ML)	60 228	24
HAD501	16 oz. (473ML)	125 473	12
HAD502	64 oz (1.892L)	500 1,892	6
HAD503	5 GALLON (18.9L)	5,000 18,920	1
HAD504	55 GALLON (206.8L)	55,000 208,000	1

- > Disperses water from fuel
- > Improves cetane number
- > Contains lubricity additive-meets B.O.C.L.E
- > Cleans fuel injector systems
- > Controls icing and freeze up
- > Prevents formation of harmful acid
- > Contains no alcohol or solvents
- > Improves fuel economy
- > Decarbonizes combustion chamber and nozzles

## Premium Winter Additive

Stock No.	Volume per package	Treats gallons/ Liters	Shipping Unit
HAD541	16 oz. (473ML)	125 473	12
HAD543	5 GALLON (18.9L)	5,000 18,920	1
HAD544	55 GALLON (206.8L)	55,000 208,000	1

- > Contains antigel
- > Totally disperses water
- > Contains no alcohol
- > Lowers pour point
- > Lowers cold filter plug point
- > Helps control waxing and gelling
- > Cleans the injector system
- > Dissolves gum and varnish
- > Eliminates corrosion and rust

## Additive

Stock No.	Volume per package	Treats gallons/ Liters	Shipping Unit
HAD510	8 oz (236ML)	250 946	24
HAD511	16 oz. (473ML)	500 1,892	12
HAD512	64 oz (1.892L)	2,000 7,500	6
HAD513	5 GALLON (18.9L)	20,000 75,000	1
HAD514	55 GALLON (206.8L)	220,000 832,000	1

- > Contains lubricity additive
- > Disperses water from fuel
- > Cleans fuel injector systems
- > Controls icing and freeze up
- > Prevents formation of harmful acid
- > Contains no alcohol or solvents
- > Improves fuel economy
- > Decarbonizes combustion chamber and nozzles
- > Reduces exhaust smoke

## Marine Additive

Stock No.	Volume per package	Treats gallons/ Liters	Shipping Unit
HAD520	8 oz (236ML)	120 454	24
HAD521	16 oz. (473ML)	240 908	12
HAD522	64 oz (1.892L)	960 3,600	6
HAD523	5 GALLON (18.9L)	9,600 36,000	1
HAD524	55 GALLON (206.8L)	105,600 400,000	1

- > Totally disperses water
- > Cleans fuel injectors
- > Controls algae and bacteria
- > Controls fuel system varnish, gum, sludge, and corrosion
- > Reduces fuel consumption
- > Lubricates cylinder walls and fuel injectors for extended engine life
- > Reduces exhaust smoke, NOx emissions
- > Prevents fuel line freezing
- > Contains no alcohol or solvents

## Lubricity Additive Plus

Stock No.	Volume per package	Treats gallons/ Liters	Shipping Unit
HAD530	8 oz (236ML)	60 228	24
HAD531	16 oz. (473ML)	125 473	12
HAD532	64 oz (1.892L)	500 1,892	6
HAD533	5 GALLON (18.9L)	5,000 18,920	1
HAD534	55 GALLON (206.8L)	55,000 208,000	1

- > Disperses water from fuel
- > Improves cetane number
- > Contains lubricity additive-meets B.O.C.L.E
- > Cleans fuel injector systems
- > Controls icing and freeze up
- > Prevents formation of harmful acid
- > Contains no alcohol or solvents
- > Improves fuel economy
- > Decarbonizes combustion chamber and nozzles

## Diesel Additive Emergency

Stock No.	Volume per package	Treats gallons/ Liters	Shipping Unit
HAD551	16 oz. (473ML)	50 189	12

- > For gelled diesel fuel
- > Disperses ice and wax
- > Compatible with all types of fuel
- > Contains no methanol or light alcohols
- > Biodegradable

## Lead Additive Plus

Stock No.	Volume per package	Treats gallons/ Liters	Shipping Unit
HAD570	8 oz. (236ML)	20 76	24

- > Prevents valve seat recession and engine damage with unleaded or low-lead gasoline
- > For use in auto, truck, farm, marine and motorcycle engines
- > Halts power and compression loss
- > Approved by the EPA
- > Extends engine life
- > Contains no alcohol or lead
- > Controls EGR and PVC deposits
- > Cleans carburetor and fuel injectors

## Gas Injector Cleaner

Stock No.	Volume per package	Treats gallons/ Liters	Shipping Unit
HAD560	8 oz. (236ML)	15 57	24

- > Cleans fuel injectors and carburetors
- > Contains lubricity additive
- > Disperses water from fuel
- > Contains no alcohol
- > Increases mileage
- > Improves acceleration
- > Stabilizes fuel
- > Reduces emissions

## Fuel Injector Cleaner

Stock No.	Volume per package	Treats gallons/ Liters	Shipping Unit
HAD595	32 oz. (946ML)	125 473	12
HAD593	5 GALLON (18.9L)	2,500 9,463	1

- > Cleans fuel injectors
- > Cleans injector tips
- > Exceeds L-10 and N-14 standards
- > Reduces fuel consumption
- > Lubricates cylinder walls and fuel injectors for extended engine life
- > Increases engine performance and power
- > Improves spray pattern

## Cetane 8+

Stock No.	Volume per package	Treats gallons/ Liters	Shipping Unit
HAD585	32 oz. (946ML)	125 473	12
HAD583	5 GALLON (18.9L)	2,500 9,463	1

- > Dramatically improves performance by increasing the cetane index
- > Cleans fuel injectors
- > Improves fuel economy
- > Easier and faster engine starts
- > Reduces fuel consumption
- > Increases power and acceleration
- > Reduces misfires
